## CHAMPIONSHIP DAY

Saturday 23<sup>rd</sup> March 2024

8.15am

at Masons Lane Reserve

### **Rules & Regulations:**

No protests will be accepted.

Athletes are to marshal at the event location when called to the event by the announcer.

Officials and competitors only are permitted on the inside of the track.

All competitors must be in full Club uniform – Club polo shirt and plain black shorts (no footy shorts, floral leggings or surf shorts permitted). Commonwealth Bank registration tags must be worn.

A "Release Form" is to be given to the Starter's Marshall by the Team Manager if an athlete is still at a Field event when they are called to their Track event.

The athlete will be collected from the Field event just prior to running their Track event by an assistant marshal.

The athlete is then to return to the Field event immediately after their Track event.

Starting blocks may be used and will be supplied by the Centre. Athletes are not to supply any equipment.

Where there is only one competitor in an event, the medal will be forfeited, if in the opinion of the Track or Field manager a reasonable performance is not given by the competitor.

Track events - Progression to finals the first from each heat plus next fastest times to make a field of eight.

Track events will take precedence over field events. Athletes must arrange a release form with their team manager if events clash.

Medals will be awarded to the first three placegetters in each final.

### **AGM Information:**

Our AGM is on Wednesday 1<sup>st</sup> May 2024 in the Pat Lane Pavilion commencing at 7.30pm

### **Cross Country Information:**

Cross Country registration day will be Saturday 4<sup>th</sup> May at Bostock Reservoir, Ballan. Summer season BMLAC registration also covers athletes for the cross-country season. However, new members are welcome to BMLAC during the cross-country season for a small registration fee.

### **Special Message:**

The Bacchus Marsh Little Athletics Centre welcomes all competitors to our Championship Day and trusts you will have a most enjoyable day.

### **Message to Competitors:**

# CROSS COUNTRY

Between May and August, Bacchus Marsh Little Athletics Centre conducts cross-country runs at times and venues as set out by the Committee member for Special Competition.

The program is usually finished within an hour.

Cross country running is an important part of Little Athletics. It is an ideal way for those athletes who like the longer distances to enjoy a different style of competition. Further, participating in the program is beneficial for building strength and stamina for the next season of track and field events.

All children from Under 6 to Under 17 may participate.

Distances run at Bacchus Marsh are:

<b>Age Group</b>	<b>Distance</b>
Under 6	500 mts
Under 7-8	1000 mts
Under 9-10	1500 mts
Under 11-12	2000 mts
Under 13-17	3000 mts

The season consists of approximately 12-15 Centre meetings plus Region and State finals, with numerous Open Days from other Centres.

Summer season BMLAC registration also covers athletes for the cross-country season. However, new members are welcome to BMLAC during the cross-country season for a small registration fee.
